DOCKET NO. 2006-92-WS - Application of Carolina Water Service, Incorporated for Adjustment of Rates and Charges for the Provision of Water and Sewer Service – Discuss with the Commission Carolina Water Service, Incorporated's Request to Hold in Abeyance the Requirement That Customers in the Company's Dorchester County Service Area Be Supplied Notice of the Public Hearing in Summerville.

COMMISSION ACTION:

Mr. Chairman, Carolina Water Service (CWS) and Dorchester County are negotiating a contract for the transfer of CWS's Kings Grant sewer system and the Teal on Ashley Water and Sewer Systems to Dorchester County. An executed contract is expected to be submitted for Commission approval later this week. A transfer of the CWS systems to Dorchester County will remove these systems from Commission jurisdiction. Therefore, I move that the Commission grant the request of Carolina Water Service to hold in abeyance the notification of CWS's Dorchester County customers of a public hearing in Summerville currently scheduled for July 13, 2006. A transfer of CWS's Kings Grant and Teal on Ashley Systems will negate the need for a public hearing. Mr. Chairman, I so move.
